1 **SEC. 2. FINDINGS AND PURPOSES.**

2 (a) FINDINGS.—The Congress finds that—

3 (1) we have a shared national interest in creat-  
4 ing safe, decent, and affordable housing because, for  
5 all Americans, housing is an essential building block  
6 toward holding a job, getting an education, and  
7 strengthening our communities;

1           (2) millions of Americans—including elderly  
2           citizens, persons with disabilities, and low-income  
3           families with children—have critical housing needs  
4           that must be met in order to maintain stable, vi-  
5           brant communities;

6           (3) the American people recognized this need  
7           23 years ago when Congress and the Administration  
8           enacted the section 8 Housing Assistance Payments  
9           program, which millions of Americans have used as  
10          a stepping stone toward greater stability, independ-  
11          ence, and self-sufficiency;

12          (4) some 20 years after enactment, a record  
13          number of section 8 contracts are expiring, including  
14          1.8 million units in 1998, and 2.7 million units be-  
15          tween 1998 and 2002;

16          (5) if we do not renew these contracts, 4.4 mil-  
17          lion Americans in 1998 alone—90 percent of whom  
18          are elderly residents, persons with disabilities, and  
19          low-income families with children—are at risk of los-  
20          ing their homes, because of sharp rent increases;

21          (6) because of the shortage of affordable hous-  
22          ing, we cannot afford to let any of our Nation's af-  
23          fordable housing units become unavailable;

24          (7) this challenge occurs at a time of shrinking  
25          Federal resources, and we have an undeniable re-

1       sponsibility both to balance the Federal budget and  
2       to maximize every taxpayer dollar spent;

3           (8) we must renew section 8 contracts in a way  
4       that lowers excessive subsidies, protects families,  
5       preserves neighborhoods, and ensures safe, decent,  
6       and affordable housing until the year 2020 and be-  
7       yond;

8           (9) we must also renew section 8 contracts in  
9       a way that prevents a massive default on FHA-in-  
10      sured mortgages;

11          (10) at the same time, we must ensure that  
12      owners meet their obligations to both tenants and  
13      the Federal Government by maintaining safe, de-  
14      cent, and affordable living conditions;

15          (11) under a framework enacted by Congress,  
16      HUD has begun major reforms to address these  
17      problems and has begun a major overhaul of its or-  
18      ganization, streamlining operations, improving man-  
19      agement, building stronger partnerships with State  
20      and local agencies, and improving its ability to take  
21      enforcement actions where necessary to assure that  
22      its programs serve their intended purposes;

23          (12) these efforts at reform are limited by a  
24      system of outdated rules and excessive government  
25      regulation that hampers our ability to propose inno-

1 vative solutions, solve problems, and hold bad own-  
2 ers accountable; and

3 (13) for America to meet its housing commit-  
4 ments, legislation is now needed to help avert a sec-  
5 tion 8 renewal crisis, strip away outdated rules, pro-  
6 vide necessary enforcement tools, and empower  
7 HUD and public housing agencies to meet the needs  
8 of America's families.

9 (b) PURPOSE.—It is the purpose of this Act—

10 (1) to extend affordable housing for elderly resi-  
11 dents, persons with disabilities, and low-income fam-  
12 ilies with children until the year 2020 and beyond;

13 (2) to reaffirm America's historic commitment  
14 to safe, decent, and affordable housing and to re-  
15 move the obstacles to meeting that goal;

16 (3) to protect tenants and preserve communities  
17 while sharply lowering costs to the American tax-  
18 payer;

19 (4) to continue the complete overhaul of HUD  
20 management;

21 (5) to end excessive taxpayer subsidies of the  
22 section 8 program and bring section 8 rents in line  
23 with fair market value;

24 (6) to take the steps necessary to prevent the  
25 default of insured section 8 properties;

1           (7) to create a new compact with owners of  
2           multifamily housing in which they continue to pro-  
3           vide safe, decent, and affordable housing in ex-  
4           change for tax incentives that will help them prevent  
5           default;

6           (8) to streamline and simplify HUD rental  
7           housing operations by cutting excessive regulation  
8           and consolidating FHA multifamily insurance pro-  
9           grams into one simple, understandable, user-friendly  
10          system;

11          (9) to provide more choice for tenants in a way  
12          that creates more hope and opportunity;

13          (10) to achieve greater accountability of tax-  
14          payer funds by empowering the Federal Government  
15          to take firmer, quicker, and more effective action to  
16          crack down on fraud and abuse in HUD programs  
17          and to pursue bad owners;

18          (11) to rehabilitate properties when necessary  
19          in order to maintain safe, clean living conditions  
20          while incurring no additional cost to taxpayers;

21          (12) through these comprehensive measures, to  
22          reform, consolidate, and strengthen enforcement of  
23          HUD's affordable housing programs; and

1           (13) to ensure safe, decent, and affordable  
 2           housing opportunities for American families well into  
 3           the next century.

8           This subtitle may be cited as the “Housing Oppor-  
 9   tunity Act of 1997”.

10           **Subtitle A—Housing Provisions**

11   **SEC. 110. FHA MULTIFAMILY RESTRUCTURING.**

12           (a) PURPOSE AND GOALS.—

13               (1) PURPOSE.—The purpose of the program  
 14           under this section is to permit the Secretary to pro-  
 15           tect the financial interests of the Federal Govern-  
 16           ment through debt restructuring and subsidy reduc-  
 17           tion in connection with multifamily housing projects  
 18           described in subsection (c). The restructuring may  
 19           include recasting an existing mortgage insured under  
 20           the National Housing Act or execution of a new  
 21           mortgage, and the recast or new mortgage may be  
 22           insured under the National Housing Act or may be  
 23           uninsured.

24               (2) GOALS.—The Secretary shall carry out the  
 25           purpose of this program, to the extent practicable,

1 in a manner that takes into account local housing  
2 market conditions and addresses the goals set forth  
3 below. In addressing the goals, the Secretary shall  
4 have discretion to balance competing goals, as such  
5 goals may relate to an individual project. The goals  
6 of this program are to—

7 (A) maintain existing affordable housing  
8 stock in a decent, safe, and sanitary condition;

9 (B) minimize adverse impacts on tenants  
10 and neighborhoods;

11 (C) support fair housing strategies; and

12 (D) encourage responsible ownership and  
13 management of property.

14 (b) NOTICE TO LOCAL GOVERNMENT AND TEN-  
15 ANTS.—In carrying out this section, the Secretary shall  
16 develop procedures to provide appropriate and timely no-  
17 tice to the unit of general local government where the  
18 project is located, to the tenants of the project, and to  
19 the holder of the insured mortgage of participation by the  
20 owner in restructuring and subsidy reduction under this  
21 section.

22 (c) PROJECT ELIGIBILITY.—This section applies to  
23 any multifamily housing project with a mortgage insured  
24 by the Secretary under the National Housing Act, if—

1           (1) the multifamily housing project is covered  
2       in whole or in part by a project-based assistance  
3       contract under—

4           (A) the new construction or substantial re-  
5       habilitation program under section 8(b)(2) of  
6       the United States Housing Act of 1937 (as in  
7       effect before October 1, 1983);

8           (B) the property disposition program  
9       under section 8(b) of that Act;

10          (C) the loan management set-aside pro-  
11       gram under section 8(b) of that Act;

12          (D) the project-based certificate program  
13       under section 8(d)(2) of that Act;

14          (E) section 23 of the United States Hous-  
15       ing Act of 1937 Act (as in effect before Janu-  
16       ary 1, 1975);

17          (F) the preservation program under the  
18       Emergency Low Income Housing Preservation  
19       Act of 1987 or the Low-Income Housing Pres-  
20       ervation and Resident Homeownership Act of  
21       1990;

22          (G) the rent supplement program under  
23       section 101 of the Housing and Urban Develop-  
24       ment Act of 1965;

1 (H) section 8 of the United States Hous-  
 2 ing Act of 1937, following conversion from as-  
 3 sistance under section 101 of the Housing and  
 4 Urban Development Act of 1965; or

5 (I) section 236(f)(2) of the National Hous-  
 6 ing Act;

7 (2) the Secretary determines that the owner of  
 8 the multifamily housing project has not engaged in  
 9 material adverse financial or managerial actions or  
 10 omissions with regard to the project; and with re-  
 11 gard to other projects, is not engaged in such ac-  
 12 tions or omissions that would constitute a pattern of  
 13 mismanagement that would warrant suspension or  
 14 debarment by the Secretary; and

15 (3) the rents for the project exceed, as deter-  
 16 mined by the Secretary, market rents for the market  
 17 area in which the project is located.

18 (d) DESIGNEE; CONDITIONS; AUTHORIZED AC-  
 19 TIONS.—

20 (1) DESIGNEE.—In carrying out this program,  
 21 the Secretary may designate State housing finance  
 22 agencies, housing agencies, nonprofit organizations,  
 23 and other entities (including, but not limited to,  
 24 legal, accounting, and investment firms) (separately  
 25 or in conjunction with each other) that the Secretary

determines to be qualified to carry out specified activities under this section. The Secretary, by delegation, contract, cooperative agreement, or otherwise, may enter into relationships with one or more designees, which provide for the assumption by the designee of some or all of the functions, obligations, responsibilities, and benefits of the Secretary authorized by subsections (d)(3)(A) and (d)(3)(B) and subsection (e).

(2) CONDITIONS.—The Secretary or designee may take actions under paragraph (3) to make the multifamily housing project financially viable at market rents. The Secretary or designee may take these actions when the Secretary or designee determines that the actions are economically prudent and feasible.

(3) AUTHORIZED ACTIONS.—(A) The Secretary or the designee may take the actions described in subparagraph (B), subject to obtaining necessary consent to ensure that contract rights are not abrogated, including consent by (i) the Government National Mortgage Association if it owns a mortgage insured by the Secretary, (ii) an issuer under the mortgage-backed securities program of the Association, subject to the responsibilities of the issuer to

1 its security holders and the Association under that  
2 program, and (iii) the parties to any contractual  
3 agreement which the Secretary proposes to modify  
4 or discontinue.

5 (B) Notwithstanding any other law, the Sec-  
6 retary or designee may—

7 (i) fully or partially pay a claim for mort-  
8 gage insurance (which may be made whether or  
9 not the mortgage is in default and, in the case  
10 of partial payment of a claim, may include re-  
11 quiring a recasting of any provisions of the  
12 mortgage (such as changing the term, interest,  
13 or amortization) in order to accord consistency  
14 with then-current market conditions);

15 (ii) remove or modify (or agree to do so)  
16 mortgage, regulatory, use agreement, or other  
17 restrictions with respect to a project;

18 (iii) purchase reinsurance or otherwise  
19 transfer economic interests in insurance con-  
20 tracts or premiums;

21 (iv) take appropriate action to induce par-  
22 ticipation of owners, lenders, servicers, third  
23 parties, and other entities;

24 (v) provide for restructuring of the mort-  
25 gage (which may include reduction of the out-

1 standing mortgage amount and prepayment of  
 2 principal to the mortgagee, if appropriate);

3 (vi) make payment from the appropriate  
 4 insurance fund under the National Housing Act  
 5 for activities under this subtitle, which may in-  
 6 clude payments for repairs and rehabilitation;  
 7 and

8 (vii) take other actions to enable the  
 9 project to be financially viable at market rents.

10 (C) In addition to the actions described in sub-  
 11 paragraph (B), the Secretary may provide for the re-  
 12 newal of section 8 contracts in accordance with sec-  
 13 tion 405(a) of the Balanced Budget Downpayment  
 14 Act, I.

15 (e) RENTAL ASSISTANCE.—

16 (1)(A) Except as provided in paragraph (2), in  
 17 connection with the termination of any assistance  
 18 contract described in subsection (c)(1), the Secretary  
 19 or a designee shall provide tenant-based assistance  
 20 under section 8 to—

21 (i) each assisted family (other than a fam-  
 22 ily already receiving tenant-based assistance)  
 23 residing in the project at the time the assist-  
 24 ance under subsection (c) terminates; and

1           (ii) each very low-income family whose rent  
2           would increase due to restructuring or subsidy  
3           reduction under this section and whose in-  
4           creased rent would exceed 30 percent of the ad-  
5           justed income of the family as determined  
6           under section 3(a)(1) of the United States  
7           Housing Act of 1937.

8           (B) Notwithstanding section 8(c)(1) and section  
9           8(o)(1) of the United States Housing Act of 1937,  
10          in the case of families described in subparagraph (A)  
11          that reside in a project described in subsection (c)  
12          where the reasonable rent (which rent shall include  
13          any amount allowed for utilities and shall not exceed  
14          comparable market rents for the relevant housing  
15          market area) exceeds the fair market rent limitation  
16          or the payment standard, as applicable, the amount  
17          of assistance for the family shall be determined  
18          based on such reasonable rent. Accordingly, for the  
19          certificate program under section 8(b), the maxi-  
20          mum monthly rent under the contract (plus any  
21          amount allowed for utilities) shall be such reasonable  
22          rent for the unit; and for the voucher program under  
23          section 8(o), the payment standard shall be deemed  
24          to be such reasonable rent for the unit.

1           (2) Notwithstanding paragraph (1) and the re-  
 2           quirements of section 8(d)(2), the Secretary or des-  
 3           ignee shall, for an otherwise eligible project, provide  
 4           for project-based assistance, at rents not exceeding  
 5           market rents—

6                   (A) for projects located in areas where the  
 7           Secretary or designee determines, based on  
 8           housing market indicators, such as exceptionally  
 9           low vacancy rates or exceptionally high absorp-  
 10          tion rates, that it is difficult for families receiv-  
 11          ing tenant-based assistance to find suitable  
 12          units; and

13                   (B) for projects with 90 percent or more  
 14          occupancy by elderly families, disabled families,  
 15          or a combination of such families.

16          (f) NONDISCRIMINATION AGAINST CERTIFICATE  
 17          HOLDERS.—In the case of multifamily rental housing  
 18          under this section that is receiving, or (except for insur-  
 19          ance referred to in paragraph (4)) has received within two  
 20          years before the effective date of this section, the benefit  
 21          of Federal assistance from an agency of the United States,  
 22          the owner shall not refuse to lease a reasonable number  
 23          of units to holders of certificates or vouchers under section  
 24          8 because of the status of the prospective tenants as cer-  
 25          tificate or voucher holders. The Secretary shall establish

1 reasonable time periods for applying the requirement of  
 2 this subsection, taking into account the total amount of  
 3 the assistance and the relative share of the assistance com-  
 4 pared to the total cost of financing, developing, rehabilitat-  
 5 ing, or otherwise assisting a project. Federal assistance  
 6 for purposes of this subsection shall mean—

7           (1) project-based assistance under the United  
 8 States Housing Act of 1937;

9           (2) assistance under title I of the Housing and  
 10 Community Development Act of 1974;

11           (3) assistance under title II of the Cranston-  
 12 Gonzalez National Affordable Housing Act;

13           (4) mortgage insurance under the National  
 14 Housing Act;

15           (5) low-income housing tax credits under sec-  
 16 tion 42 of the Internal Revenue Code of 1986;

17           (6) assistance under title IV of the Stewart B.  
 18 McKinney Homeless Assistance Act;

19           (7) assistance under this section; and

20           (8) assistance under any other programs des-  
 21 ignated by the Secretary.

22       (g) PARTICIPATION BY TENANT ORGANIZATIONS AND  
 23 NONPROFIT ORGANIZATIONS.—The Secretary shall estab-  
 24 lish procedures to facilitate the voluntary sale or transfer  
 25 of multifamily housing projects under this section to, and

1 management or other participation by, tenant organiza-  
 2 tions and community-based nonprofit and public agency  
 3 purchasers meeting such reasonable qualifications as may  
 4 be established by the Secretary.

5 (h) DEFINITIONS.—For purposes of this section—

6 (1) DISABLED FAMILY.—The term “disabled

 8 as a disabled family under section 3(b)(3)(B) of the

 23 States Housing Act of 1937.

1 (i) EFFECT ON OTHER AUTHORITY.—This section  
 2 does not limit the Secretary’s authority under other provi-  
 3 sions of law.

4 **SEC. 111. SECTION 8 CONTRACT RENEWALS.**

5 Section 405(a) of the Balanced Budget Downpay-  
 6 ment Act, I is amended by inserting at the end the follow-  
 7 ing: “Notwithstanding the preceding sentence, upon the  
 8 expiration of a contract with rent levels that exceed the  
 9 Section 8 Existing Fair Market Rents—

10 “(1) If the Secretary determines that—

11 “(A) the primary financing or mortgage in-  
 12 surance for the multifamily housing project that  
 13 is covered by that expiring contract was pro-  
 14 vided by a unit of State government (or an

2           of the mortgagor were removed or deferred,  
3       the Secretary, at the request of the owner and, in  
4       the case of a project under subparagraph (A), the  
5       unit of State government (or its agency or instru-  
6       mentality), shall, for an otherwise eligible project,

15 order. If the Secretary does not review that deter-  
16 mination or order before the expiration of the 90-  
17 day period beginning on the date on which the deter-  
18 mination or order is issued, the determination or  
19 order shall be final.

21          loss.

22          “(f) IDENTITY OF INTEREST.—Notwithstanding any  
23          other provision of law, the Secretary may not apply iden-

6 with, and not exceeding, the current statutory au-  
7 thority of sections 207(g) through (j), 520, and 541.

8 “(2) PARTIAL PAYMENT OF CLAIMS.—For par-

12 “(A) to accept a partial payment of claim  
13 for all such claims; and

19 **MORTGAGE INSURANCE.**

20 “(a) IN GENERAL.—If a mortgagor fails to make any  
21 payment due, or provided to be paid by the terms of a

2 retary under this section.

3 “(b) CLAIMS REQUIREMENTS.—

4 “(1) IN GENERAL.—The Secretary shall issue  
5 requirements under subsection (a). These require-

12 “(A) the mortgage so in default and all  
13 rights and interests arising thereunder;

14 “(B) all claims of the mortgagee against

 13          property and obtaining title, or obtaining title  
 14          through deed-in lieu of foreclosure, or otherwise, and  
 15          conveying title to the Secretary. A mortgagee exer-  
 16          cising the option under this paragraph shall comply  
 17          with the requirements of paragraph (1), except sub-  
 18          paragraphs (A) and (D).

19          “(c) TERMINATION OF MIP OBLIGATION.—After re-

24          “(d) AMOUNT OF CLAIM.—The total amount of any  
 25          payout under an insurance claim under this title may not

 2 ceived if the mortgage indebtedness and any other fiscal  
 3 obligations under the mortgage had been fully satisfied on  
 4 the date of the assignment of the claim or the conveyance  
 5 of title, plus interest and necessary expenses incurred by  
 6 the mortgagee in connection with the claim and preserva-  
 7 tion of the project, if applicable, as determined by the Sec-  
 8 retary, and in accordance with any contract involving risk-  
 9 sharing.

10 “(e) ACQUISITION OF POSSESSION OR TITLE.—The  
 11 Secretary may, through foreclosure or otherwise, acquire  
 12 possession of, or title to, any property covered by a mort-

 20 General Insurance Fund, may—

21 “(A) pay out of such Fund any expenses  
 22 or charges in connection with the preservation  
 23 of any security property under this title;

24 “(B) deal with, complete, reconstruct, rent,

8           this title.

9           “(2) WITH RESPECT TO MORTGAGES.—Not-  
10          withstanding any other provision of law, the Sec-  
11          retary may pursue to final collection, by way of com-  
12          promise or otherwise, obligations under mortgages  
13          assigned under this title and all claims in connection  
14          with any other transactions under this title.

15   **“SEC. 409. ADJUSTED PREMIUM CHARGE UPON PREPAY-**  
16                   **MENT.**

17          “If the principal obligation of any mortgage accepted  
18          for insurance or reinsurance under this title is paid in full  
19          before the maturity date, the Secretary may require the  
20          mortgagee to pay an adjusted premium charge in such  
21          amount as the Secretary determines to be equitable, but  
22          not in excess of the aggregate amount of the premium  
23          charges that the mortgagee would otherwise have been re-  
24          quired to pay if the mortgage had continued to be insured  
25          until such maturity date.

1   **“SEC. 410. ENVIRONMENTAL REVIEW.**

2           “(a) IN GENERAL.—In order to assure that the poli-  
3   cies of the National Environmental Policy Act of 1969 and  
4   other provisions of law which further the purposes of such  
5   Act (as specified in regulations issued by the Secretary)  
6   are most effectively implemented in connection with credit  
7   enhancement under this title, and to assure to the public  
8   undiminished protection of the environment, the Secretary  
9   may, under such regulations, in lieu of the environmental  
10   protection procedures otherwise applicable, provide for  
11   agreements to endorse for insurance mortgages under this  
12   title upon the request of the mortgagee, qualified entity,  
13   or qualified housing finance agency, if the State or unit  
14   of general local government, as designated by the Sec-  
15   retary in accordance with regulations, assumes all of the  
16   responsibilities for environmental review, decision making,  
17   and action pursuant to such Act, and such other provi-  
18   sions of law as the regulations of the Secretary may speci-  
19   fy, that would otherwise apply to the Secretary with re-  
20   spect to the insurance of mortgages on particular prop-  
21   erties. For purposes of this subsection, the terms ‘unit of  
22   general local government’ and ‘State’ have the same mean-

24   Development Act of 1974.

25           “(b) IMPLEMENTATION.—The Secretary shall issue  
26   regulations to carry out this section only after consultation

1 with the Council on Environmental Quality. Such regula-  
2 tions shall, among other matters, provide—

3 “(1) for the monitoring of the performance of  
4 environmental reviews under this subparagraph;

5 “(2) subject to the discretion of the Secretary,  
6 for the provision or facilitation of training for such  
7 performance; and

8 “(3) subject to the discretion of the Secretary,  
9 for the suspension or termination by the Secretary  
10 of the State or unit of general local government’s re-  
11 sponsibilities under subsection (a).

12 “(c) SAVINGS.—The Secretary’s duty under sub-  
13 section (b) shall not be construed to limit any responsibil-  
14 ity assumed by a State or unit of general local government  
15 with respect to any particular property under subsection  
16 (a).

17 “(d) PROCEDURE.—The Secretary shall approve a  
18 mortgage for the provision of mortgage insurance subject  
19 to the procedures authorized by this section only if, not  
20 less than 30 days before such approval, before any ap-  
21 proval, commitment, or endorsement of mortgage insur-  
22 ance on the property by or on behalf of the Secretary, and  
23 before any agreement by a qualified entity or a qualified  
24 housing finance agency to provide financing under a risk-  
25 sharing agreement with respect to the property, the mort-

1 gagee or the qualified participating entity or the qualified  
 2 housing finance agency submits to the Secretary a request  
 3 for such approval, accompanied by a certification of the  
 4 State or unit of general local government that meets the  
 5 requirements of subsection (e). The Secretary's approval  
 6 of any such certification shall be deemed to satisfy the  
 7 Secretary's responsibilities under the National Environ-  
 8 mental Policy Act of 1969 and such other provisions of  
 9 law as the regulations of the Secretary specify insofar as  
 10 those responsibilities relate to the provision of mortgage  
 11 insurance on the property that is covered by such certifi-  
 12 cation.

13       “(e) CERTIFICATION.—A certification under the pro-  
 14 cedures authorized by this subsection shall—

15               “(1) be in a form acceptable to the Secretary;

16               “(2) be executed by the chief executive officer  
 17 or other officer of the State or unit of general local  
 18 government who qualifies under regulations of the  
 19 Secretary;

20               “(3) specify that the State or unit of general  
 21 local government under this section has fully carried  
 22 out its responsibilities as described under subsection  
 23 (a); and

24               “(4) specify that the certifying officer consents  
 25 to assume the status of a responsible Federal official

1       under the National Environmental Policy Act of  
2       1969 and under each provision of law specified in  
3       regulations issued by the Secretary insofar as the  
4       provisions of such Act or such other provisions of  
5       law apply pursuant to subsection (a), and is author-  
6       ized and consents on behalf of the State or unit of  
7       general local government and himself or herself to  
8       accept the jurisdiction of the Federal courts for the  
9       purpose of enforcement of the responsibilities as  
10      such an official.

11      “(f) APPROVAL BY STATES.—If a unit of general  
12      local government carries out the responsibilities described  
13      in subsection (a), the Secretary may permit the State to  
14      perform those actions of the Secretary described in sub-  
15      section (a) and the performance of such actions by the  
16      State, where permitted by the Secretary, shall be deemed  
17      to satisfy the Secretary’s responsibilities referred to in the  
18      second sentence of clause (ii).

24      a State or unit of general local government for purposes  
25      of this title.

20 project, or keeping the health care facility in operation to  
21 serve community needs, as appropriate, the Secretary may  
22 request the mortgagee in lieu of assignment, to—

6 **202 AND SECTION 811 PROGRAMS.**

7 (a) SUPPORTIVE HOUSING FOR THE ELDERLY.—Sec-  
8 tion 202 of the Housing Act of 1959 is amended by adding  
9 at the end the following new subsection:

10 “(k) ENVIRONMENTAL PROTECTION.—

11 “(1) PURPOSE.—The purpose of this subsection  
12 is to authorize a procedure for the assumption of en-  
13 vironmental review responsibilities of the Secretary  
14 by States and units of general local government in  
15 connection with capital advances provided under this  
16 section. This procedure shall be designed to en-  
17 sure—

18 “(A) that the policies of the National Envi-  
19 ronmental Policy Act of 1969 and other provi-  
20 sions of law which further the purposes of such  
21 Act (as specified by the Secretary) are most ef-  
22 fectively implemented in connection with the  
23 provision of such assistance; and

24 “(B) undiminished protection of the envi-  
25 ronment to the public.

1           “(2) BASIC AUTHORITY.—The Secretary may,  
2       in lieu of the environmental protection procedures  
3       otherwise applicable and in accordance with the pro-  
4       visions of this subsection, provide for the release of  
5       funds for particular projects or activities upon the  
6       request of a recipient of the assistance, if the State  
7       or unit of general local government, as designated by  
8       the Secretary, assumes all of the responsibilities for  
9       environmental review, decisionmaking, and action  
10      pursuant to the Act and the other provisions of law  
11      referred to in paragraph (1) that would otherwise  
12      apply to the Secretary in connection with the provi-  
13      sion of capital grant assistance to such projects or  
14      activities.

15           “(3) PROCEDURE.—The Secretary shall ap-  
16      prove the release of funds for projects or activities  
17      subject to the procedures authorized by this sub-  
18      section only if the recipient submits to the Secretary  
19      a request for such release—

20           “(A) not less than 15 days before such re-  
21      lease, except that this paragraph shall not apply  
22      in the case of a project or activity proposed in  
23      an area covered by a declaration by the Presi-  
24      dent of a major disaster or emergency under

1 the Robert T. Stafford Disaster Relief and  
2 Emergency Assistance Act; and

3 “(B) before any commitment of funds or  
4 other assistance for such projects (other than  
5 for environmental studies and such other pur-  
6 poses as the Secretary shall specify, consistent  
7 with the Act and the other provisions of law re-  
8 ferred to in paragraph (1)).

9 The request for release shall be accompanied by a  
10 certification by the State or unit of general local  
11 government which meets the requirements of para-  
12 graph (4). The Secretary’s approval of any such cer-  
13 tification shall be deemed to satisfy the Secretary’s  
14 responsibilities under the Act and the other provi-  
15 sions of law referred to in paragraph (1), insofar as  
16 those responsibilities relate to the provision of cap-
